TRINITY PRESBYTERIAN PRESCHOOL

CO-OP ADULT PARTICIPATION REQUIREMENTS

In compliance with operational guidance, Licensing and state law, ALL co-oping adults are required to have on file:

- 1. **Volunteer Release Form** (available on Admissions page) This form must be on file for all co-oping adults.
- 2. **Pertussis** (Whooping Cough) vaccination Commonly administered with tetanus via a combo vaccine called Tdap
- 3. Measles vaccination

Most commonly administered via the combo vaccine MMR but may have been administered independently. For our co-oping grandparents, please be advised that those born prior to 1957 are exempt from the Measles vaccine requirement.

4. Negative TB (Tuberculosis) Test

The results of a skin or blood test may be submitted. In the event the result is positive, a negative chest x-ray is necessary to meet the requirement. Results must be obtained within the 12 months prior to the start of the school year. A new TB test is required for each newly enrolled child.

5. **Influenza** Vaccination or Declination Form Must be submitted annually. The vaccination must be obtained between August 1 and December 1.

Pertussis, Measles, and TB results need to be submitted once when a child starts at Trinity. The Influenza requirement is annual. If not already on file, Pertussis, Measles and TB requirements must be met by August 1 and returned with your enrollment paperwork. Proof of the Influenza vaccination or the Declination Form (attached) must be returned to the school office no later than December 1.

Compliance with the above medical requirements can be secured by submitting hardcopies only of:

- An immunization record documenting Pertussis and Measles vaccines**; or
 A signed letter from a licensed physician documenting your immunity to Pertussis and Measles; or
 A signed letter from a licensed physician declaring that immunization is unsafe for you due to a physical condition or medical circumstance.
- A copy of your TB test results (test must be within 12 months of the start of the school year). Required with each new student.
- 3. A copy of your Influenza vaccination obtained between August 1 and December 1 of the current school year, or submission of the Influenza Vaccination Declination Form.

Please proceed to cover form on next page.

^{**} Proof of immunity is often obtained during pregnancy. Please check with your Physician / OB.

TRINITY PRESBYTERIAN PRESCHOOL

CO-OP ADULT PARTICIPATION COVER SHEET
