MAINTENANCE DAYS & SPECIAL PROJECTS

Parents, teachers, and children love our colorful, busy campus. We take pride in presenting a safe, clean, healthy environment for our children. The special care and attention that our parents provide on these monthly workdays allow us to attend to special projects and provide an extra level of cleaning, fixing and safety checks in our environment. To ensure that the school is in tip-top shape, we schedule each parent one maintenance day per year. We are grateful for the time and effort of our parent community!

We understand the busy lives of our families sometimes warrant the need for flexibility. To this end, we're offering a few different options as a means of fulfilling this need. **Please review the options below and indicate a preference for each parent:**
